Dear parents, carers and friends of our school,

Our school is a place of LEARNING
We learn HOW TO LEARN.
   For lifelong learning
The girls and boys are learning to KNOW.
   To be able to identify problems
The boys and girls are learning to DO.
   So that they can solve problems
They are all learning to be RESPONSIBLE.
   To be self-managing and ethical
We are all learning to LIVE TOGETHER.
   To have empathy and respect and to work as a team

Well the first half of the school year is just about over. It has been an intense and I believe, a highly successful 2014 so far. The mid year reports that I am reading certainly show that so many children are making pleasing progress in academic, sporting, social and cultural areas. Look out for reports later this week – there should be no surprises because all parents have had the opportunity to have parent-teacher interviews since the beginning of the year.

Our classroom conversion is now complete and we will begin using the new space from next term. The parents who attended last night’s P&C meeting got a look and they were really impressed.

Have a safe and happy winter break. All students return for Term 2 on Tuesday 15th July.

Regards
Ray Rincheval, Proud Principal

**FROM THE SNACK SHACK**

As always a big thank you to our volunteers with a special thanks to Tracy Bellette who ran the canteen last Friday while I was at the Austag Carnival and a big thanks to Donna Kluss and Kylie Reedy who helped me at this carnival also as I was all by myself.

As usual we are winding down stock so if your child orders something that we have run out of we will do our best to make sure they receive something suitable. Salad sandwiches and wrpas and bowls are available every day.

There will be no uniform shop this Wednesday or Friday.

Someone borrowed our “Red Trolley” at the fete and as yet it has not been returned. Please if you have it or know it’s whereabouts please let me know urgently.

Enjoy the break.
