Dear parents, carers and friends of our school,

Thanks for your support last Thursday when we closed the school for the gazetted ½ day public holiday. We know for some of you it was inconvenient to make some alternative childcare arrangements. Anyway you did well and no child was left at school or lost! Nice work!

Talking of “nice work”, we are now looking forward with a focus on the “nice work” we ALL have to do over the next few years.

As you know we are formulating our School Plan for 2015-2017 and it starts with a firm VISION.

What is a school Vision?

For my part, I want to be able to say

“Our school is a place where everyone, regardless of background or ability, can be a successful learner and be the best that they can be.”

OR

“Our school is a place where we learn to understand the world, others and ourselves, to accept challenges, create and succeed.”

OR

“Our school is the first and last choice” (for local families looking for the best education option for their children.)

What’s your pick? Have you got a Vision Statement for our school? Email, Facebook, phone or write. I’m asking everyone! Look out for a supplement to this newsletter outlining your FEEDBACK so far, and our possible Vision and Directions.

Regards
Ray Rincheval, Proud Principal

Did You Know?
This year we will have more options available for school photos using a local photographer (mum, Lisa Anderson) and/or The Master School Portraits service or BOTH!

The MSP school photos have been set down for Thursday 4th September and envelopes have been sent home today.

Information about Lisa’s offer will come home this week and depending on demand, dates will be confirmed.
