We are ALL here to LEARN.

Good luck to our Year 6 students who will travel to Canberra on Sunday night, enjoying our national capital before returning via Sydney and arriving home late Thursday night. Again, congratulations to all of those who have worked to design and deliver a fantastic learning opportunity for our Year 6 students.

If you know of anyone who plans on enrolling their children in our school next year, please ask them to collect an enrolment application form as soon as possible, especially if they are seeking a place in Kindergarten. Many of our classes are full to bulging so we need to forecast our numbers accurately to plan for fair class sizes and structures.

I will be on leave next term. Unfortunately, there are a bunch of things I will have to miss, including our school’s 30th anniversary dinner-dance, the Bike Safety Day, our end of year reports which I always love to read, our farewell to our amazing P&C president and “Friend of our School”, Mrs Diane Della, and the annual Presentation Day, to name a few.

Mrs Aldina Craig and Mr Sam Murgatroyd will share the relieving principal responsibilities in my absence. They know our school well and they are fine educational leaders, so our school will be in good hands. I hope to be back first day next year! (Some of you will appreciate the warning J).

Our Drama Festival is throwing up such talent and confidence! Four plays yesterday, four plays today, three plays and a film tomorrow! Congratulations to the girls and boys, teachers, support staff, parents and friends, who have worked so hard to deliver “class plays, class films, class acts” over the course of our Drama Festival.

In this job where we “grow the future” it is easy to be optimistic about the future.

Every day, I see children who already bring light to the world around them and I know that one day, so many of them, as adults, will make the world a better place through their knowledge, skills and attitude.

It’s nice to think that our future actors, bakers, physicists, retailers, event managers, health care professionals, accountants, receptionists, lawyers, environmentalists, engineers, builders, cleaners, mothers and fathers, are all here... LEARNING to understand their world, themselves and others, to accept challenges, to create, and to be the best that they can be!

Cheers!

Ray Rincheval, Proud Principal

**Did You Know?**
All Woolworths Earn & Learn tokens should be returned now. Please put your receipts in our box there or send them in to school so that we'll accumulate points to redeem against school resources from Modern Teaching Aids

**Did You Know?**
We are strongly supported by Amart Allsports “Community Kickback” initiative. Keep that in mind when you are choosing where to buy your sporting goods.

**DID YOU KNOW?**
Our Bus Zone will be lengthened and our No Parking area will be extended further down the Saye Close hill. Council intend doing this work soon. This will mean parents may have to park further away but hopefully everybody will be safer and the congestion problem will be improved. Remember, parents are able to park on the school grounds below Stage 3 building if you follow the rules.
Many thanks to Jimmi Hand who so kindly donated some plants for our garden, it is greatly appreciated. A huge thank you to Paul, Emma & Zach Spooner who gave the school a gift voucher to purchase plants for our school garden. It was an amazing, kind and extremely thoughtful gift. Special thanks again to Monica Smith and Brindley’s Nursery who once again donated more plants. Thank you everyone, the school gardens are looking so beautiful, many, many thanks.

Did You Know? Due to increases in school enrolments we now have a third teacher on Kindergarten! We welcome Mrs Vanessa McNab who will be co-teaching with Mr Mark Guihot and Miss Ashley Esposito.

Did You Know? Our Sustainable Garden project is continuing outside Mr. Rincheval’s office. Thanks to donations of native plants from the Dudgeon family.

Did You Know?

Native Plants - we are still seeking donations of plants that would be suitable for our Sustainability Garden. If you have anything that would be suitable please send them in to Mrs. Crooks or Mrs. Craig. Thanking you in anticipation.

RYANS BUS SERVICE wish to advise that there is a App which is available to download called “transporime” for real time bus tracking purposes.
