Year 5 Major Excursion to Lake Ainsworth Sport and Recreation Camp
17th February, 2014

Dear Parent/ Caregiver,

Planning is well underway for our exciting excursion to Lake Ainsworth Sport and Recreation Camp. This is an awesome educational experience that your children will remember forever. As well as providing excellent physically challenging, team-building activities, the students will participate in Marine themed lessons and research activities.

Lake Ainsworth has been booked for Monday 27th – Wednesday 29th of October.

At this stage the cost for the excursion will be $300 (this cost may change slightly due to bus quotes and final numbers).

We will require a deposit of $40 to be paid by the end of March to indicate a commitment to the excursion. The remainder can then be paid off in small amounts over the next 7 months or as a lump sum closer to the time. Please note that payments can now be made through our online payment system.

Vanessa McNab
Excursion Coordinator

_____________________________________________
2014 Year 5 Major Excursion to Lake Ainsworth Sport and Recreation Camp

My Child __________________________ of class ________ will be participating in the Year 5 excursion to Lake Ainsworth Sport and Recreation Camp at Lennox Head in October 2014.

I understand that my deposit of $40 will secure their place on this excursion and that this deposit is non-refundable (pending review of individual circumstances).
I understand that payments for this excursion can be made at any time either to the class teacher, office or using the online payment system.
